

EDGE™ Strain-Relief Bracket CDF, accommodating eight EDGE solutions clip parking positions

CORNING

Part Number:
EDGE-CDF-RJ08-BKT

When cabinet space within the data center is limited, Corning offers the ability to strain-relieve trunks outside of the housing envelope. The following range of trunk strain-relief brackets allow for a trunk to be strain-relieved either alongside an existing housing, or behind a shallow depth housing that may not have integrated strain-relief.

EDGE™ Strain-Relief Bracket CDF, accommodating eight EDGE solutions clip parking positions
